Re: **Request for Change of Customer No. from 31516 to 31561**

Dear Sir,

A Request for Change of Correspondence Address was made and mailed on April 4, 2003. However, the Electronic Business Center informed us of the subject case still under the incorrect customer number, though such request form was received by the Office according to the PAIR system. Please look into the matter and correct the customer number accordingly.

Enclosed document for your reference:

(X) Copy of the application for change of correspondence address;

Thank you for your attention and assistance in this matter. If there is any problem, please let me know.

Respectfully Submitted,
